Remarcks on Munday November the 18th 1793

this 24 Hours begins with fresh winds at E.N.E. we
is to Leward and Lyfford in Company with Capt
and at five P.M took in two Reefs in our Mainsail and
Bunnet of the gib it Blew very fresh and Clear with
Capt Hathaway Shade a Lite and Answered it and that
Was the Last we Seen of him and at a Leven P.M Haul
Down the Foresail the Wind increased and at twelve
at Night the Wind Started from E.N.E to S.E and Blew fre
we Stood in N.E and N.E by E and at Seven A.M the Wind
Shifted into the W.N.W and Blew Exsesive heavey in Squ
so that we was a Bridge to haul Down our two Reef
Mainsail and a Whilst we was getting Down the
Mainsail the Wind Blode the gib from the Stay with the
Bunnet of their was not one hank left we Kept
her Before the Wind a Leaven and a half and then we
Rounded her two under Bair poles and She Maid very
good Weather But the face of the Sea was Just Like
A Snow Drift so she lay under Bair poles the Rest
part of this 24 Hours so Ends this Day the Crew all well

this Day Not Much to Due
So Ends this Day I am still unwell yet

Tuesday May 26th A 1795
this Day imployd Brading Rounding
So Ends this Day

Wednesday May 27th A 1795
Not much to Due this Day Waiting for our
Molasses So Ends this Day

Friday June the 5th A D 1795
this Day imployd Stoping our Mainsail
finnished Stoping it so Ends the Day

Saturday June the 6th A D 1795
this Day Going up the Rips about in the Mainsail
finnished So Ends this Day

Sunday June the 7th A D 1795
this Day Got five hogsets of Molasses imployd
Striping a Vessels that the Capt Bought So Ends
this Day

Munday June the 8th A D 1795
this Day to work on Board the Vessels the Capt
Bought gitting out Cask so Ends this Day

Tuesday June the 9th A D 1795
this Day imployd Starting Molasses and gitting
Cask a Shoar and Stars from that Vessels
the Capt Bought So Ends the Day very Warm

Wednesday June the 10th A D 1795
this Day Got three hogsets of Molasses Started two of them
Dryd our Sails imployd part of the Day
to Work a Board the Vessels the Capt Bought
So Ends this Day

Thirsday June the 11th A D 1795
this Day Started one hogset of Molasses the rest
part of the Day to Work upon the said Vessels
Capt Bought Brought Some Wood from her
So End this Day

Friday June 12th A 1795
this Day got foor hogsets of Molasses Last night got our oald Sloop Aboard and to Day Brought of her anchors and Cabels Iron and Wood so Ends this Day

Saturday June 13th A 1795
[illegible] hogsets of Molasses and guild our Riggen Down and Cleard our Decks So Ends this Day

Sunday June 14th A 1795
this Day got out the Mast out of the oald Rack So Ends the Day

Munday June 15th A 1795
this Day got three hogsets of Molasses and Stowed them the Last Bought Sixteen hds Sent a Shoar and Nockt Down nine hogsets that we took out of the Rack Brought one Boat Lode of Staves A Board and the hoops that Com of them So Ends this Day

Tuesday June 16th A 1795
this Day took nine hogsets of Molasses on Board and Sent the Sloop So Ends this Day

this Morning went after worter the Left part of the
Day imployd Stoing things of Deck so Ends this Day

Munday June 22th D 1795
this Day went after worter the Left part of the Day
imployd Riging our Squaresail yeard so Ends this a

Tusday June 23th D 1795
this Day Sent the Mainsail took of one hogset of
Molasses imployd the Left part of the Day
Soing Down things of Deck so Ends this Day

Wednesday June 24th D 1795
this Day imployd Stoing Down our Worter and
Sent our foresail we took in two of our anchors
that we had a head so Ends the Day

Thirsday June 25th D 1795
this Day imployed Mending our Spriss'l Sail
finnished Mending and Bent him
Went a Shoar and got Sum Lines and
Brought our anchor from Capt graves
So Ends this Day To Morrow Morning we are
A going to Sail if we have a Land Breaze
in the Morning

Fridday June 26th D 1795
this Morning Waid our anchors and Stood out
of the Harbor we had two Boats to tow us out
But We Did Not git fur with out the Boats before
We took the Land Breaze and their was a Bad Swell
So that we Cood Not Beet to Windard and we Came
to anchor fine more Came to anchor with us
Inland this Day the Crew all Well on Board

Saturday June 27th D 1795
this Morning Waid our anchor and Stood to Sea
fine Sails in Companey with us all Amaricans.
Bound threw the the Windard Passage a fine
Breaze all Day So Ends this Day

Sunday June 28th D 1795
the first part of this 24 Hours fresh winds
Middle part Calm Latter part a Small Breaz
to the Norward and Westward Six Sails in Sight
So Ends this Lat Obs 18=34

Munday June 29th D 1795
this 24 Hours Small winds and fair wather { Well
saw Sails in Sight So Ends this Day the Crew all

Tuesday June 30th 1795
a fine Breeze all this 24 Hours in Company
With a Chaoner Belonging to Saillam three
Sails in Sight so Ends this Day Lat Obs 18=53

Wednesday July 1st 1795
the first part of this 24 Hours and the Latter part we
had a fine Breage Middle part Calm in Company
With a Chaoner Belonging to Saillam Lat Obs 18=56
so Ends this Day

Thursday July 2d 1795
this 24 Hours Small Winds at four PM Sot our
Squairsail and at ten PM took him in and at
two AM Set him again two Sails in Sight
Caught three Birds so Ends this Day one hand hooky
Lat Obs 19:15

Friday July 3th 1795
the first part of this 24 Hours a fine Breage at two PM
A french Ship find upon us we put our helm
up and Run Down to him he ingquird whair
We was from and whair we wair Bound and
Wisht us good passage and so parted saw two Sails
Still in Company with the Chaoner so Ends this Day
Lat Obs 19.24

Saturday July 4th 1795
the first part of this 24 Hours fresh Winds
Latter part Small Winds saw two Sails still in
Company with the Saillam Chaoner one of
our people is poorly so Ends this Day
Lat Obs 19.34

Sunday July 5th 1795 fresh Winds
the first part of this 4 Hours and at Eight o'clock
past away from Cape Nicolaus Mole and at
Merida Maid Anaawger Bairing North
d° Ends this Day Latd. 20-40

Sunday July 5th D 1795
fresh Winds at East all this 24 Hours and at Eight
AM Cape Nicolas Bore E by S the Molde We put
Away and Run over boor annuangar an
in Company With the Salem Chaoner
So Ends this Day Latob 20:40 this Day opend a
Barrel of provick
Munday July 6th D 1795
at five PM put away from annuangua
Steinde W by S to Clear the hogtkeys fine
gentle Breaze at East SE Run with one am
then Saw two under Sail Lay till Day
Lite then Maid Sail Stood in NW and at Eight
AM Maid the Land of ackl a fine at
SE So Ends this Day Latob 22=28

Tuesday July 7th D 1795
A fine Breaze all this 24 Hours from SE to East
at six PM Left Crooked Island Bairing and Distance
from Which I take My Departure Last Night parted
With our Consort at five AM Saw one Sail to
Windard Latter part Squally and Rail So Ends this Day
